Ski and Snow Shoeing Trails

The ski trails at the Gilbert Plains Golf Course have been freshly groomed and are ready for use! There is also a new dedicated path (over the bridge) for snow shoeing! Snow shoeing is also permitted beside the ski trails but please do not go directly on the ski trails with snow shoes.

Please note, payment must be made in full prior to dust suppressant being applied. Please be sure to let the office know if you have any special requests as to the location where the suppressant is to be applied.

All requests and full payment for application of dust control must reach the municipal office by 4:00 p.m. on May 31, 2024. Because the dust suppressant is a pre-booked custom application and the product is preordered, no requests for dust suppressant will be accepted after that date.
